## 5 EASY STEPS TO GO SOLAR:

1. Contact Horizon Solar Power for a Free Energy Analysis.
2. After analyzing your electricity bills, we will recommend a solar system that best meets your needs and budget.
3. Upon signing a purchase contract, we will prepare and submit your application for a rebate on your solar system. This will be deducted from the cost of your system. (Remember financing is available!)
4. Horizon Solar Power will install your system and acquire all necessary permits and approvals. (Some in as little as one week!)
5. Start producing your own electricity and saving money!

## WHY GO SOLAR?

- Generate your own electricity
- Eliminate your electric bill
- Double digit returns on your investment
- Increase the value of your home
- Help the environment
